

# SaveThe Barclay Grounds.org

We invite you to contribute to the success of the second annual fundraising auction event to Save The Barclay Grounds, this year on May 16<sup>th</sup> at historic Windon Hall in West Chester.

***“Save the Barclay Grounds” Spring Celebration—  
an evening of wine & hors d’oeuvres, with silent and live auction.***

The event offers special wines selected by Collier’s of Centreville, beer provided by Iron Hill Brewery and Restaurant, catered light fare to appeal to every appetite, and conversation with other guests that are enthusiastic about historic West Chester and Chester County, and about preserving a tree-laden oasis in the heart of the Borough.

As we hope you know, the property on the northeast corner of High and Marshall Streets in the Borough of West Chester is partially purchased and under agreement for the remainder, with substantial funding from state and county open space grants. This fundraising event is toward bridging the gap between those sources and the purchase price so that the promise of “no taxpayer dollars” is kept. For more information and updates see [www.savethebarclaygrounds.org](http://www.savethebarclaygrounds.org).

The Barclay Grounds Preservation Alliance, an incorporated 501 (C) (3), is seeking donations for the silent and live auction that are part of the May 16th event. If you are able to donate an item, service, or certificate please respond to either of the event co-chairs named on the form that accompanies this letter. If you wish, a committee member can pick up your donation—or you can mail or ship it to the address on the form.

We also welcome corporate or individual sponsorships for this event. Be in touch with one of the co-chairs for sponsorship levels and opportunities. All donors and sponsors will be acknowledged at the event and on our website, unless anonymity is requested.

Thank you for your commitment to historic and open space preservation in Chester County!!

Warmly,

For the event committee organizing the May 16th
